1.5.3. documents evidencing authority of a person representing a foreign organization (powers of attorney, licenses, founders board resolution or other competent authorities);

1.5.4. documents evidencing identity of a foreign organization representative (passport, photo ID, residence permit or other documents evidencing identity).

1.6. The foregoing documents must be translated into Russian and certified by a notary or a translator (whose signature shall also be certified by a notary).

1.7. During performance of the Basic Contract all notices and other messages provided by the Basic Contract shall be made in writing and sent to the addresses specified in the Basic Contract or by mailing with notification, or by delivery of a courier service, or by e-mails to addresses specified in the Basic Contract.

1.8. Upon execution of the Basic Contract, settlements shall be made by transferring funds to the Crocus Expo settlement account specified in the Basic Contract, or by making cash payments on the basis of issued invoices to the Crocus Expo cash register located in the Exhibition center, in accordance with the rules established by the current legislation and the limit amount of cash settlements between legal entities in the Russian Federation. The payment day of the Parties shall be the day of receipt of funds to the settlement account or to the Crocus Expo's cash register.

The Bank's money transfer services in the performance of the Basic Contract shall be paid by the Event Organizer. For overdue of financial obligations under the Basic Contract the Organizer shall pay to Crocus Expo a penalty of 0.1 (zero point one) percent of the unpaid amount for each day of delay, unless otherwise is provided by the Basic Contract.

1.9. The Parties seek to resolve all disputes arising from signing or interpretation of the Basic Contract by direct negotiations. The disputes and disagreements failed to be resolved by negotiations are subject to settlement in the Arbitration court of the city of Moscow.

1.10. Legal relations of the Parties under the Basic Contract shall become binding on them from the moment of its signing (article 425 of the Civil Code of the Russian Federation) and shall be valid until the termination of the Parties' obligations by the contract. The contract terms (provisions) shall be determined at the discretion of the Parties, secured by the contract and shall not contradict rules established by law or other legal acts (article 421 of the Civil Code of the Russian Federation).

1.11. The Organizer shall not be entitled without Crocus Expo's written consent to transfer to the third parties the rights and/or liabilities of the Organizer as of the Basic Contract.

1.12. At the conclusion of the Basic Contract the Organizer or Exhibitor give their consent to follow norms and the Basic Requirements of General Builder (hereinafter referred to as the General Builder Requirements) in all aspects of preparation and holding the Event.

1.13. In the course of preparation and holding of the Event both the Organizer and Participants shall comply with the requirements of laws and any other legal acts of the Russian Federation including not violating the rights and legitimate interests of third parties to intellectual property objects (prevent public reproduction of copyright objects and related rights without concluding an appropriate agreement with the author (manufacturer, performer) or with any organization with state accreditation holding rights on collective basis) and independently bear any liability for violation of the specified requirements.

1.14. If penalties are imposed on Crocus Expo by the supervision or other state authorities due to violation of the requirements of laws or other legal acts by the Organizer or Participant, including in cases specified in clauses 1.13., 6.14., 8.7., 8.8., 11.24. herein, the person who violates these requirements shall indemnify Crocus Expo for the specified penalties in full including all expenses incurred by Crocus Expo to restore its violated rights.

2. PREPARATION PERIOD

2.1. To document orders for services and enter into contract-applications, resolve business issues related to the preparation and holding of the Event, receive notifications, acts and perform other actions related to execution of the Basic Contract, the Organizer or Exhibitor shall appoint an Authorized person vested with all necessary powers within 10 (ten) office days and notify Crocus Expo accordingly including provision of the power of attorney. For its part, Crocus Expo shall also notify the Organizer of the appointment of its authorized person responsible for the Basic Contract support.

2.2. During the preparation period the Organizer shall review the specifications of the areas of the Exhibition center to be used for the Event (Appendix 1 herein), the list of rendered by Crocus Expo services as well as the procedures and conditions of the services provision.

2.3. Taking into account the information received, the Organizer shall buildup the exposition within Exhibition area as of the Basic Contract in terms of space and location, meeting the General Builder Requirements, restrictions on weight loads of floors, electrical safety and other operating specifications in force, requirements of ensuring fire and public safety when holding mass events. Relevant Crocus Expo departments and services and General Builder shall monitor compliance with the requirements and rules herein.

2.4. The exposition and auxiliary facilities buildup, movement routes at the exposition, holding of the Event actions on the Overall Exhibition center area outside the contracted space is allowed only if approved by Crocus Expo.

2.5. The exposition layout shall be made on the basis of exhibition halls technical specification received by the Organizer at General Builder and in compliance with the General Builder Requirements.

2.6. The developed and approved exposition plan with a buildup schedule considering the routing of participants and visitors, the installation of bulky exhibits in the stands and special installation equipment required therefore, shall be agreed by the Organizer with General Builder at least 10 (ten) office days prior to the Overall Event period. The Organizer shall transfer the approved plan to Crocus Expo person responsible for the Basic Contract support for approval. Unless approved and agreed upon, no plan shall be accepted for execution.

2.7. The Organizer shall establish the time schedule for related events in accordance with the Event schedule specified by the Basic Contract and other regulatory documents if any.

2.8. Not later than 10 (ten) office days prior to the Overall Event period the Organizer shall submit to Crocus Expo in agreed form the following documents and materials:

2.8.1. list of the Event Exhibitors with their names specified;

2.8.2. samples of badges for the Event Participants;

2.8.3. invitations/badges for the Event not less than 200 and invitations to the official opening of the Event not less than 20.

2.9. All information of the Organizer as of terms and conditions of the Basic Contract and General Terms herein shall be signed by the person who has signed the Basic Contract or by the Authorized person.

2.10. The Organizer shall acquaint the Exhibitors of the Event and contracted Builders with the Event regulating documents effective during preparation and holding the Event at the Exhibition center including General Terms herein, Guidance for the use of Crocus Expo logo, the General Builder Requirements, Fire Safety Regulation during Buildup (Dismantling) of Expositions and Events Holding in Pavilions and Outdoor Areas of Crocus Expo Krasnogorsk subsidiary SC CROCUS, Rules of Access and Conduct on the Crocus Expo International Exhibition Center (Crocus Expo) Territory and Visiting Events Held there, Procedure of Equipment and Exhibits Move in and Move out to the Crocus Expo Territory, and shall provide for meeting all conditions and requirements specified in the documents.

2.11. The Organizer shall provide for the emergency medical service for the Overall Event period if required by Crocus Expo.

3. PROVIDING EXHIBITION AREA FOR EVENT

3.1. The Exhibition area shall be transferred to the Organizer (Exhibitor) exclusively for the Event organization and holding (participation in the Event) in accordance with terms and conditions of the Basic Contract and General Terms herein.

Costs for using the Exhibition area includes the following Crocus Expo expenses related to supporting due condition of the Exhibition area:

- cost of general electric lighting, ventilation, heating of the Exhibition area;

- cost of the Exhibition center general security services;

- cost of domestic waste removal from the Exhibition area to burial on solid domestic waste (SDW) landfills daily 1 (one) time a day during buildup and dismantling of the Event (disposal of construction waste, stand fitting materials and removal of bulk waste, packaging and empties shall be paid for by the Organizer or Participant extra according to the rates of the Services Guide);

- cost of cleaning of the Exhibition center territory and aisles daily 1 (one) time a day during the Event period (additional cleaning of the hall aisles, cleaning of stands and offices of the Event, as well as garbage collection from packaging and containers shall be made at the expense of the Organizer or Participant);

- cost of waste baskets removal 3 (three) times a day during the Event period;

- cost of services rendered by Crocus Expo employees on duty (administrators, guards and fire department posts, technical staff on duty).

3.2. Crocus Expo shall provide for service personnel in the premises of the Exhibition center in accordance with the conditions stipulated in clause 3.1. of General Terms herein and in other provisions of the Basic Contract.

3.3. Configuration and size of the Exhibition area and the related rental payment stipulated by the Basic Contract shall not be reduced by the Parties after the Basic Contract signing save cases stipulated herein.

Size of the Exhibition area as well as related rental payment can be reduced by the act issued by the Parties not later than the last day of the Event period following the results of actual measurement of the Exhibition area, but not more than by 10 (ten) percent of the Exhibition area size of the Exhibition area fixed in the Basic Contract on the date of signing.

If the fee paid by the Organizer for the use of the Exhibition area exceeds its size determined based on the results of the actual measurement of the size of the Exhibition area, the excess amount, by agreement of the Parties, shall be transferred to the settlement account of the Organizer or may be taken into account in mutual settlements for services.

3.4. The size of the Exhibition area and related amount to be charged for using the Exhibition area specified in the Basic Contract can be increased in the below stated cases and against the below specified documents signed by authorized representatives of both Parties and being an integral part of the Basic Contract:

3.4.1. if a double-decker (second floor) has been added to the Event stand: on the grounds of an act drawn up by the Parties not later than on the last day of the Event period on the results of actual measurement of the double-decker space. Thus, the Organizer shall pay extra amount at the rate of 70 (seventy) percent of the rental rate for using the Exhibition area specified by the Basic Contract for each square meter of the second-floor space per day during the Overall Event period;

3.4.2. if the Organizer uses (intends to use) extra Exhibition area: under the relevant supplementary agreement signed by the Parties prior to the Overall Event period beginning or on the grounds of an act drawn up by the Parties not later than on the last day of the Event period on the results of actual measurement of the Exhibition area.

Thus, the extra Exhibition area in the size not exceeding 10 (ten) percent of the size of the Exhibition area specified in the Basic Contract on the conclusion date shall be paid at the rental rate for use of the Exhibition area specified in the Basic Contract on the conclusion date, and in the size exceeding the specified size – at the rental rate defined by the supplementary agreement of the Parties or on the grounds of actual measurements.

3.5. The size of the used Exhibition area and the related amount to be charged for using the Exhibition area shall be defined on the grounds of a bilateral act drawn up following the results of actual measurement of the Exhibition area not later than the last day of the Event period. After the specified date no claims on size of the used Exhibition area shall be accepted.

3.6. During the actual measurement, the size of the Exhibition area is defined as the area of a rectangle, describing the external dimensions of the buildup space. When placing an exhibition exposition with boundaries other than a straight line, it is allowed to define this dimension as a hexagon area where each side adjoins the adjacent side at a right angle. One side of such a rectangle (hexagon) is taken to coincide with the wall line with the entrance group. In this case, if the distance from any other side to the hall wall is less than 3 m, the side of the rectangle (hexagon) considered in the actual measurement is taken to coincide with the line of this wall. The procedure for actual measurement of the Exhibition area is contained in the General Terms of General Builder.

During the actual measurement at the outdoor area, the size of the outdoor Exhibition area is defined as the area of a rectangle, describing the external dimensions of the outdoor buildup space. When placing an exhibition exposition with boundaries other than a straight line, it is allowed to define this dimension as a hexagon area where each side adjoins the adjacent side at a right angle.

3.7. The Organizer shall accept the Exhibition area contracted for the Event prior to the buildup starts. The Exhibition area shall be transferred in accordance with the Basic Contract and against a bilateral Transfer/Acceptance Act of the Exhibition area under the contract for the Event holding, conforming size and configuration of the Exhibition area space for the Event holding.

In case the Organizer refuses to sign the Transfer/Acceptance Act of the Exhibition area under the contract for the Event holding, the Exhibition area is considered not transferred (not accepted) about what the Act of Refusal specifying the reasons for which the Transfer/Acceptance Act of the Exhibition area under the contract for the Event holding was not signed, is arranged. All works shall start only after the Transfer/Acceptance Act for the Exhibition area under the contract for the Event holding has been signed by the Parties.

The Transfer/Acceptance Act of return of the Exhibition area after the Event holding shall be made and signed by the Parties on the grounds of actual measurement of the Exhibition area no later than the last day of the Overall Event period. The Act shall specify the size of the used Exhibition area (in accordance with conditions specified in clauses 3.3. and 3.4. herein) and also its condition and return date and time.

Obligations under the contract to provide and return the Exhibition area are considered completely executed on the date of the signing of the Transfer/Acceptance Act of the Exhibition area under the contract for the Event holding and the Transfer/Acceptance Act of return of the Exhibition area after the Event holding.

3.8. In case of Overtime use of Exhibition area by the Organizer and/or Exhibitors during the Overall Event period exceeds terms specified in the Basic Contract, and absence of the order or the order-contract for Overtime use of Exhibition area, the Organizer shall pay for the use of the rented Exhibition area for each non-vacated hall in the manner and in the amount provided for in the Basic Contract.

In case of Overtime use of Exhibition area by the Organizer or Exhibitors exceeds terms specified in the Basic Contract on the last day of the Event buildup, the payment shall be subject to 100 (hundred) percent surcharge. Each started hour shall be charged as full.

4. OVERTIME USE OF EXHIBITION AREA

4.1. The Organizer, Builders or Exhibitors, where possible and by agreement with Crocus Expo, may use the Exhibition area overtime under conditions stipulated by section 5 of the Services Guide if otherwise is not stipulated by the Basic Contract.

If Overtime use is ordered prior to the beginning of the Overall Event period, the Organizer or Participant shall provide the period necessary for General Builder to mark layout of the Exhibition area.

4.2. The possibility and procedure for Overtime use of Exhibition area shall be determined by Crocus Expo.

4.3. Overtime use of Exhibition area for buildup works within the period from 20:00 of the last day of buildup and to 08:00 of the first day of the Event period is subject to 100 (hundred) percent surcharge.

4.4. Overtime use of Exhibition area shall be registered by the Service Centre (Information and Services counter) up to 18:00 of the day of the Overtime use of Exhibition area.

4.5. In cases of Overtime use of Exhibition area the Organizer, Builder or Exhibitor shall provide for presence of an authorized representative and also persons, responsible for observance of occupational safety regulations, from the companies carrying out works.

4.6. At Overtime use of Exhibition area during the Overall Event period at night time (from 20:00 to 08:00) Crocus Expo shall provide for a set of measures aimed at maintaining public order during work at the specified time. The Organizer, Exhibitor or Builder shall pay for all related costs.

4.7. Overtime use of Exhibition area, move in/out of extra cargoes during Overtime use of Exhibition area at night time (from 20:00 to 08:00) shall be approved by Crocus Expo and the Organizer, Exhibitor or Builder shall settle all costs incurred.

4.8. Overtime use of Exhibition area beyond the terms specified in the Basic Contract shall be possible only after the Organizer and Exhibitors have vacated the Exhibition area from all persons present there. Only persons registered for the Overtime use shall be admitted to the Exhibition area. Crocus Expo shall not bear any responsibility for the delay in the provision of the Exhibition area for the Overtime use due to the untimely vacation of the Exhibition area.

4.9. If the Organizer fails to provide timely vacation of the Exhibition area from persons after terms specified in the Basic Contract, the Organizer shall be fined for the untimely vacation of the Exhibition area calculated as a product of multiplication of space of each not vacated hall of the Exhibition area by the Overtime use of Exhibition area specified in the Basic Contract. Each started hour is charged as full.

5. EXHIBITION AREA CLEANING

5.1. Any works on cleaning of floor covering in the Exhibition center during the Event period shall be carried out only by the Crocus Expo Administrative department (hereinafter referred to as Administrative department) directly or by accredited contractors, except for the works related to cleaning, wiping and polishing of exhibits and cleaning of catering zones. Any third party attraction to cleaning of floor covering in the territory of the Exhibition center during the Event period is forbidden. Independent works with use of technical means on cleaning of floor covering in the territory of the Exhibition center during the Event period are forbidden.

5.2. All kinds of cleaning, waste and garbage removal save for those specified in clause 3.1. herein shall be charged extra by the Organizer.

5.3. Cleaning volume related to removal and disposal of debris in containers, works timing shall be agreed by the Organizer with the Event Administrator of Crocus Expo at least 10 (ten) office days prior to the beginning of the Overall Event period if otherwise is not stipulated by the Basic Contract.

5.4. The Organizer by agreement with Crocus Expo shall allocate necessary amount of time but not less than 4 (four) hours for the Concluding and Final cleanings. By the time the Concluding and Final cleanings start the Organizer shall ensure the termination of all installation and dismantling works and actions during which debris is generated, as well as free the aisles from property that is not subject to disposal.

5.5. If the Organizer fails to allocate time and ensure the conditions stipulated in clause 5.4. herein for the Concluding and/or Final cleanings within the Overall Event period specified in the Basic Contract, the Organizer shall order and pay for the time required for the Concluding and/or Final cleanings on the terms of the Exhibition area Overtime use in accordance with section 4 herein and at the rates specified in the Services Guide.

5.6. It is not allowed to put waste in aisles after buildup works. For violations of this requirement, the Organizer shall pay double for the cleaning of the aisles of the relevant exhibition hall in accordance with the rates of the Services Guide.

5.7. During Event buildup and dismantling periods the Participants shall package waste and construction garbage into their own garbage bags and dispose them into ordered containers. To remove bulk waste (waste not fitting into garbage bags), the Participants shall order special containers for bulk garbage. Storage of garbage outside containers is prohibited. The containers shall be loaded during the day in question and delivered to burial on solid domestic waste landfills if otherwise is not agreed with the Crocus Expo Administrative department. Orders for container for bulk waste, packaging and empties of 8 cubic m and 27 cubic m submitted during the Overall Event period are executed in agreed with Crocus Expo Administrative department time and are subject to availability.

5.8. During the Event period the Participants shall put the waste to be utilized in the aisles in provided waste baskets. Time for removing baskets shall be agreed between the Organizer and Crocus Expo Administrative department. Baskets not put into the aisles will not be emptied and garbage bags not put into the aisles will not be removed. Disposal of the left garbage shall be made in accordance with the rates of the Services Guide.

5.9. It is not allowed to carry out waste-producing and finishing works after the Concluding cleaning before the Event opening. The violators shall pay penalty and shall effect payment for the extra cleaning. The space to be cleaned shall be agreed with the Crocus Expo Administrative department. The cost of the service is subject to 100 (hundred) percent surcharge according to the rates of the Services Guide.

5.10. The Exhibition area is considered ready to return after the end of the Overall Event period if it is vacated from the exhibition equipment and garbage. In case of untimely vacation of the Exhibition area there come the consequences provided by conditions of the Basic Contract and the General Terms (clause 3.8. herein).

5.11. No vehicle washing and utilization of waste liquids is permitted at Crocus Expo or in the adjacent territory, except for the designated areas.

6. EXHIBITION AREA BUILDUP AND DISMANTLING

6.1. The procedure and timing of buildup and dismantling works shall be specified by terms and conditions of the Basic Contract, General Terms herein and by terms and conditions of the contract between the Organizer (Exhibitor) and General Builder, and the General Builder Requirements.

For the list of documents required for review of stand construction documents please refer to the General Builder Requirements.

6.6. Vehicles of Event Participants are not permitted to drive into the exhibition halls for materials handling.

6.7. Move in/move out of exhibits, equipment and other material possessions to/from the Exhibition area shall be allowed against the Letter required to move in/out exhibits and equipment. The Procedure of Equipment and Exhibits Move in and Move out to the Crocus Expo territory is available on the official Crocus Expo website (www.crocus-expo.ru).

6.8. Employees involved in exhibits and equipment installation and dismantling at stands shall observe terms and conditions specified in the General Builder Requirements.

6.9. Event Participants, their representatives and agents shall be fully liable for any damage caused to the areas and property of SC CROCUS or other participants by their acts or omissions.

6.10. Crocus Expo reserves the right to forbid the Exhibitor to display exhibits which might be hazardous to public and might cause damage to health of the public.

6.11. Projects intended for use of smoke scenic generators, gas cylinders under pressure, gas equipment, products using open source flame shall be inspected and approved by the specialists of the Crocus Expo Facilities Maintenance Department (hereinafter referred to as FMD), General Builder and the Crocus Expo Fire Safety Department (hereinafter referred to as FSD).

6.12. No presentation or audiovisual equipment of the Organizer and Participants may be permitted for use at the Event, until duly inspected and approved by General Builder.

6.13. Control over compliance with the current norms and rules during installation and dismantling of both the stand itself and its design, compliance with the requirements during the work provided for by law, during the Event period as well as other safety regulations shall be exercised by General Builder, compliance with fire safety rules shall be monitored by the authorized employees of Crocus Expo FSD FMD, compliance with occupational safety regulations shall be monitored by the authorized representatives of the Organizer, Builder and Exhibitor respectively.

6.14. The Builder receives permission to leave the exhibition hall from the representative of the Crocus Expo Administrative department after clearing the Exhibition area of garbage and adhesive tape. It is prohibited to dispose of elements of dismantled structures and packaging containers (lumber, chipboard, fiberboard, hardboard, plywood, etc.) in garbage containers for solid household waste installed on the Crocus Expo territory.

6.15. All persons within the Exhibition area during buildup and dismantling works shall use protective helmets, as well as other personal protective equipment necessary for the performance of specific types of work.

6.16. Access to the Exhibition area during buildup and dismantling works is prohibited to persons under 18 years of age.

6.17. The use of personal mobility equipment on the Exhibition area during buildup and dismantling periods is prohibited.

6.18. Storage of construction materials and structures during the buildup (dismantling) and Event periods is allowed only within the contracted Exhibition area. Blocking of passages between stands is not allowed.

7. EVENT PERIOD

7.1. During the Overall Event period the Exhibition center operating hours are from 08:00 to 20:00, if otherwise is not stipulated by the Basic Contract.

7.2. It is not allowed to move in equipment and exhibits on the first day of the Event without Crocus Expo approval.

7.3. The Event will be open for visitors maximum 8 hours a day. Daily, two hours before and two hours after the Event hours shall be assigned to Crocus Expo services for cleaning, preventive maintenance, repair and other works in the Exhibition areas. At this period of time the Organizer and Exhibitors may perform any works only within the limits of their stands, management offices, press centers and other premises, provided that it does not hinder the work of Crocus Expo services if otherwise is not stipulated by the terms and conditions of the Basic Contract.

7.4. Following the Event schedule set forth by the Basic Contract the Organizer shall ensure the due time closing of the Event and compliance with the regulations in force at Crocus Expo. The Organizer shall ensure the due time vacation of the Exhibition area and premises by the visitors and Participants after closing of the Event and shall be present at opening/closing of exhibition halls.

7.5. The Exhibition halls will be closed and sealed and placed under security during the period from 20:00 to 08:00 if not otherwise stipulated by the Basic Contract save cases stipulated by clause 4.6. herein. No one will be allowed to stay in the sealed halls.

7.6. In case drink receptions, concerts, etc. are held in the halls after the end of the Event hours the Organizer in coordination with Crocus Expo shall undertake measures to ensure safety of the premises and the exhibits.

7.7. The use of specialized thermal equipment for heating and thermal processing of food shall be approved by Crocus Expo.

8. SERVICES PROVIDED TO EVENT ORGANIZER AND PARTICIPANTS

8.1. Crocus Expo shall render services to the Organizer and Exhibitors under concluded Basic Contract on the basis of submitted and accepted orders (save services rendered to the Organizer in accordance with order-contracts specified in clauses 10.2. and 13.2. herein).

Services shall be rendered to other Participants and persons with which there is no Basic Contract on the basis of submitted and accepted contract-orders and orders.

The Organizer or Exhibitor shall submit orders and order-contracts in standard forms effective in the Exhibition center.

The service customer with whom there is no Basic Contract may be:

- a natural person who is not an individual entrepreneur, acting independently, on his own behalf, for the purposes of doing business;

- a natural person, an individual entrepreneur, who enters into a contract-order in person (with the provision of a document confirming his identity and status) or through a legal or authorized representative (with the provision of a document confirming the identity of the representative, as well as a document confirming the representation, or notarized power of attorney);

- a legal person on whose behalf the contract-order is concluded by a legal representative (general director or other person who has the right to act on behalf of a legal person without proxy) or an authorized representative. These representatives of a legal entity provide a document confirming the identity of the representative, as well as a document confirming the legal representation (as a rule, an extract from the Unified State Register of Legal Entities or a power of attorney issued in simple written or notarized form).

The orders shall be submitted within a timeframe stipulated in the Services Guide if otherwise is not stipulated by the terms and conditions of the Basic Contract.

Crocus Expo shall accept or refuse the acceptance of the order within 3 (three) office days.

Thus, the duly arranged order shall become the order-contract on the date of acceptance notification by Crocus Expo to the service customer. The mandatory condition of such contract with the Organizer is 100 (hundred) percent prepayment for each ordered service before the beginning of the Overall Event period. The mandatory condition of such contract with Participant or any other person outside the Basic Contract with Crocus Expo is 100 (hundred) percent prepayment for each ordered service before the service provision.

The services provided will be charged as per rates of the Services Guide on the payment date if otherwise is not stipulated by the terms and conditions of the Basic Contract. Services not stipulated in the Services Guide shall be rendered at agreed rates.

The service shall be rendered at the presence of the customer or his representative.

In case of untimely payment by the customer for works and services provided in accordance with the Services Guide, Crocus Expo shall be entitled to retain property owned by the customer, to suspend the execution of obligations and (or) refuse to fulfill its obligations for the works (services) ordered by the customer until full payment for works and services has been made and demand compensation for losses in accordance with articles 328, 329, 359 and 712 of the Civil Code of the Russian Federation.

8.2. Late orders submitted outside the timeframe specified in the Services Guide are subject to 50 (fifty) percent surcharge.

For the list of services which are not subject to the surcharge please refer to the Services Guide.

8.3. Orders submitted by the Organizer during the Overall Event period are provided subject to technical availability and shall be paid for during 5 (five) office days after the date of the Overall Event period end.

Orders submitted by the Participant during the Overall Event period are provided subject to technical availability and shall be paid for 100 (hundred) percent in advance.

8.4. If the customer refuses from the service (cancellation of the order for the service) later than the terms specified in clauses 5., 6. of the Services Guide general provisions, the customer of the service shall pay to Crocus Expo property compensation in the amount and in the manner provided for in the clauses of the Services Guide general provisions. Thus, the funds paid under such an order is subject to offset against the payment by the customer of the amount of property compensation. The same rules apply if the customer refuses part of the service (partial cancellation of the service order). The remaining part of the payment for the cancelled (partially cancelled) service shall be offset by Crocus Expo against the performance of other obligations of the Parties.

In case the service cannot be provided in full or partially due to the customer's fault, the payment shall not be refunded and shall be charged as payment for the service (clause 2. article 781 of the Civil Code of the Russian Federation).

8.5. In cases when the customer increases the volume and accordingly the ordered service cost under one section of the Services Guide, within the period when the service is payable with a surcharge according to clause 8.2. herein, the surcharge applies only to the cost of the additional amount of the service.

If the customer replaces one service with another service of the same type with an increase in its volume and corresponding cost within the period when this service is payable with a surcharge according to clause 8.2. herein, the surcharge shall apply to the cost of the entire scope of the service. And the customer is exempted from payment of property compensation for cancellation of the initial order for the service.

8.6. Crocus Expo is to sell entrance tickets on the Exhibition center territory during the Event period, if otherwise is not stipulated by the Basic Contract.

8.7. Any commercial activity, catering and consumer services provision at the Exhibition area shall conform to the statutory regulations and laws regulating commercial activities, catering and consumer services provision.

8.8. Employment of a foreign citizen or a person without citizenship to work on exhibition grounds shall be made in strict accordance with rules for attraction to work in the Russian Federation of foreign citizens and persons without citizenship and rules for migration registration.

8.9. Involvement of entities for catering services provision and/or sale of food products shall be approved by Crocus Expo.

8.10. After the service is provided Crocus Expo submits to the Organizer a relevant act. The Organizer shall consider the act during 5 (five) office days and after that shall submit to Crocus Expo either the signed act or a written reasoned refusal for its signing.

Crocus Expo obligations shall be deemed provided on the date of the act signing save a case herein.

If the act has not been signed within 5 (five) office days or a written reasoned refusal for its signing hasn't been submitted, the act is deemed signed and the service shall be deemed provided in due time, in full and with proper quality.

9. HANDLING SERVICES

9.1. Handling, installation and dismantling services with use of hoisting devices are provided by the specialists of the Transportation and Logistics department of Crocus Expo (hereinafter referred to as Transportation and Logistics department).

9.2. Material handling shall be performed only in the Material Handling areas. Access of vehicles to the Material Handling area shall be made by means of passes purchased at the Service Centre (Information and Services counter).

The pass purchased by the service customer entitles for independent loading and unloading from/to a vehicle of a certain type within the Material Handling area during buildup and dismantling periods of the Event. The works shall meet all requirements and limitations stipulated in the section.

Participant's transportation means shall be allowed to the Material Handling areas during the Event period only against the approval of the Organizer. The Organizer shall get relative approval at Crocus Expo authorities.

The type of pass (passenger car, truck) depends on the vehicle type specified in the Vehicle Registration Certificate (transport means not defined as passenger cars are considered trucks).

For the Organizer and Participant applied to handling services provided by Crocus Expo Transportation and Logistics department (truck cargo, containerized cargo), access to the Material Handling area shall be provided free of charge by passes with the right of one-time use for the duration of the work. The pass is issued on the day of work when vehicles are located on the territory of the Crocus City Trade and Exhibition Complex.

Pass is not subject to return.

9.3. Independent works on loading and unloading, equipment installation or dismantling and cargo transportation with use of hoisting devices, all types of lifting and transportation equipment (cranes, manipulators, loaders, electrical or hydraulic pilers and other hoisting machinery) are forbidden.

9.4. Cargo movement with use of hoisting and transportation devices of all types (hydraulic lift including) from one vehicle to another is forbidden in the Crocus City territory.

9.5. Forwarding and customs clearance services for foreign exhibition cargo subjected to the customs clearance shall be provided by the Official freight forwarders and the Official customs broker of Crocus Expo.

Following request from Crocus Expo Transportation and Logistics department, the Participant shall provide documents confirming the customs and ownership status of freights arriving to Crocus Expo territory. In case of non-compliance with the specified requirements, Crocus Expo reserves the right to forbid implementation of independent loading/unloading (to cancel the issued pass to the Material Handling area) and to refuse to render services on cargo handling.

Handling of foreign exhibition cargo subjected to the customs clearance and not delivered by the Official freight forwarder is subject to 100 (hundred) percent surcharge.

9.6. The Organizer or the Participant shall submit to Crocus Expo an application for loading/unloading works within the timeframe specified in the Services Guide, providing data regarding weight, size and other specification of the cargo to be handled.

Dates and duration of works shall be agreed with Crocus Expo Transportation and Logistics department.

Cargos arrived outside the agreed dates and deadlines shall be handled subject to technical availability.

9.7. The cargo shall be stored within the terms and areas agreed with Crocus Expo Transportation and Logistics department, if technically possible, on the terms provided for in the Services Guide.

Storage of cargo prior to the beginning of the Overall Event period shall be on space not allocated to the Organizer in accordance with the Basic Contract shall be possible only against the Overtime use agreement (according to conditions of General Terms herein and Services Guide rates).

Unauthorized (not agreed) location of property on the territory of the Exhibition center after the Overall Event period is not allowed. The location of such property on the territory of the Exhibition center is paid by the owner of the property on the conditions provided for in clause 6.4.3 of the Services Guide. At the same time, Crocus Expo has the right to move such property within the territory of the Exhibition center, as well as to dispose of it after 5 (five) office days from the date of unauthorized (not agreed) location of the property on the territory of the Exhibition center if the owner does not take the property.

Crocus Expo does not bear responsibility for the integrity and safety of abandoned or stored property.

9.8. Handling works include unloading from the truck and delivery to the stand. When submitting order for handling works with use of crane and special devices, the customer shall provide to the Crocus Expo Transportation and Logistics department representative the scheme of the consignment slinging, instructions and other related documents providing for labour safety and also, if necessary, special gripping devices (traverses, captures, etc.). Loading and unloading works with usage of handling mechanisms and their storage for the Event period shall be carried out without extra cost. The general supervision of handling works with use of hoisting equipment shall be carried out by the Crocus Expo Transportation and Logistics department representative.

Hoisting handling works without a handler (slinger) shall not be made.

Non-palletized cargo and cargo palletized in violation of applicable standards and rules shall be handled at the bottom of the priority and shall be subject to technical availability.

9.9. Self-propelled exhibits arriving to Crocus Expo territory independently or on a mobile ramp shall proceed to the exposition site via the Material Handling area by passes purchased at the Crocus Expo Transportation and Logistics department. The mobile ramp shall be admitted to the Material Handling area provided there is no extra cargo on it.

Self-loading or unloading to/from the self-propelled exhibit in the exhibition halls shall be approved by Crocus Expo.

Clause 6.3. of the Services Guide shall not be applied at handling self-propelled exhibits with the usage of Crocus Expo Transportation department hoisting mechanisms.

At movement of a self-propelled caterpillar exhibit across the Crocus Expo territory there shall be arranged technical works on prevention of damages to the floor covering on the route to the exposition by forces and means of the Participant (Exhibitor).

9.10. The reusable container shall be palletized and enframed. Reusable containers must be marked with special labels (stickers) received at the Transportation and Logistics department before being moved to the Crocus Expo warehouse. The stored containers will be delivered to the Participant stand after the end of the Event period in the order established by the Crocus Expo Transportation and Logistics department subject to terms of applications for the storage of the container and technical availability. Crocus Expo shall not bear responsibility for the container contents (cargo in the container).

9.11. Exhibits and equipment move out on the last day of the Event period (save stand fitting elements dismantling) shall be agreed with and approved by Crocus Expo. The internal rules of the beginning of dismantling works on the Event closing day provide for move out of self-propelled exhibits from the exposition to the point of loading, delivery of reusable containers to Exhibitors (from the storage place to the stand), small works of

exhibits and exposition dismantling in accordance with the time schedule. Move out of bulky and heavy exhibits on the last day of the Event period is not permitted.
